

EDGEWOOD

“All the Charm of Yesterday With a Vision For Tomorrow”

Message From Town Council President

Patty Farran

If you weren't at THE EDGE for the 4th of July celebration, you missed a GREAT evening! Thanks to Mr. Reynolds and his

“crew”, many ate, were entertained and enjoyed a spectacular fireworks display. As a community, we are grateful for this wonderful event! Your Town Council has been quite busy for the past four years. Members were instrumental in the sale of the Edgewood Country Club which has become such an asset as a public facility.

Another area of progress has been the purchase and installation of our emergency awareness siren. The old siren had stopped working, and the spring/summer storms were rolling in. Council members worked with Edgewood Fire Department to ensure that our citizens would be adequately warned in the event of severe weather.

We have experienced an increase in our volunteer Fire Department membership. The Council took this seriously by replacing an outdated engine with one that will serve our community with greater safety. The last four years have seen many changes and growth in our Edgewood Police Department. Enforcement of local ordinances has been possible with more officers out and about.

We look forward to the start of monthly billing for our water and sewer. The rates aren't changing, but at least it will be somewhat easier to plan for payment. Council has appointed members to an Edgewood Strategic Plan Commission. This group of residents, professionals, council members, Edgewood Clerk-Treasurer,

Edgewood Water & Sewer Superintendent and advisors has been formed to assist in the long range vision for Edgewood.

Their first area of involvement has been with our sewer infrastructure. As we work to establish the causes of the excessive infiltration, we may be able to repair them and move forward. This will require continued efforts from ALL of us.

On the “lighter” side, ladies, check out the newest addition to the Edgewood Shops...LIFELINES FITNESS. It is so close, but gives you a good “stretch”!

Message From Clerk-Treasurer *Katherine Tanner*

Good News! Smoke testing for the Town of Edgewood's sanitary system has been completed; the manhole inspection completion will follow shortly. We tested approximately 69,700 feet of sanitary sewers and 265 manholes (including Edgewood Place, Long Acres, and South Edgewood Village.) The final report will be available soon. The report basically identifies low, moderate, and high risks so that we can prioritize the future work and budgets. Moreover, residents can use the reports to identify problems on their property and make improvements.

I will be applying for another grant from Food and Beverage to help with the next steps. We have been fortunate to win some grant money for improvements in the past. We may not get enough to cover all the needed repairs in the upcoming funding round, but we should get enough to make some significant progress. The green flags and spray paint you might have seen in your yards indicted a potential problem area. Those of you having problems will be given information to help you fix the problem(s). Currently, you are not required to make any repairs; however, you will find that by

cont. to pg. 4

Callie's Corner

Summer is finally here. I do enjoy watching the birds and chipmunks outside my window. I'm pretty sure I could catch one if they would let me go outside for just a few minutes. I guess I'll never know.

I hear that the Town Hall has been getting some complaints about barking dogs. I know it can annoy me if I'm trying to nap. So, remember to try and keep your dogs from barking too much. I'm sure your neighbors will appreciate it too.

Please be sure that all of your pets have plenty of shade and water during the hot days. And make sure they have plenty of love and attention every day.

Till next time.....Callie 

EDGEWOOD TREE BOARD NEWS

Reminder that if you have bushes and shrubs at the corner of your property to keep them trimmed back so that your neighbors can see clearly at intersections. We appreciate your help keeping Edgewood safe.

We have the following recommended tree services for residents to use that are licensed and certified to keep your trees looking good and healthy.

- Morgans Tree & Landscaping Service
- Dependable Tree Service
- Carters Tree Service

Feel free to contact the Town Hall or Tree Board President Scott Gerard for more information about these professional tree care providers.

Be sure to 'Like' the Edgewood Tree Board on Facebook to receive valuable tree care information and updates on community events.

Edgewood Gone Hollywood?

The weekend of July 8th, Indianapolis Independent film makers **Tornspace Films, LLC** and **White Hair Productions** were filming at 510 Davis Drive for the upcoming movie **The Birthday Massacre**. The film due to be released next Spring was shot inside and outside the 1938 Colonial home in Old Edgewood selected by Director Kenny White. So, if residents in this area heard screaming this should explain what was going bump in the night in your neighborhood.

The Cast, Crew and Director want to Thank Edgewood for allowing them to come into our community to film this movie.

The residents of the Town of Edgewood extend sincere sympathy to the families and friends who have lost the following loved ones in previous months:

In Memorium

POLICE DEPARTMENT NEWS

SCAM WARNINGS

Again, we would like to remind everyone to be aware of potential scams through emails, phone or mail.

A typical lottery or sweepstakes scam begins with an email or letter telling you that you have won a large amount of money, and gives you the name of a contact person or agent that you are supposed to work with in order to claim your money. The "lottery winner" will be told that they need to pay a processing fee in order to claim their winnings.

If it sounds too good to be true, it usually is. Do NOT send any money to any of these people. Do not give any personal information, banking or credit card information to anyone you do not know either by phone or email. If you believe you've been the victim of one of those scams, report it to the Police Department immediately, or if you have any questions please feel call us at 642-3200.

ON-STREET PARKING

There is no parking allowed on the paved or main traveled part of any street within the town. However, any resident may file a written request for on-street vehicle parking for periods not to exceed eight hours. Please park on only one side of the street so the normal traffic and emergency vehicles can get through.

ROADWAYS AND STOP SIGNS

Trees and shrubs that are blocking roadways create a safety hazard. It is also important to keep stop signs and street signs in clear sight. Please help us keep our residents safe by trimming any trees or brush that may be creating an obstruction on your property.

Edgewood Garden Club

The Garden Club of Edgewood has been busy since their first luncheon meeting in April at "Back in Time Tea Room" located at L-P Nursery in New Castle, IN. In May, the Club met at the home of Chris East for a plant exchange. A road trip to "Garden Gate Greenhouse" in Peru, IN was enjoyed by many in June. July featured another road trip, "Carolee's Herb Farm" for Lavender Daze and lunch at "Ivanhoe's" afterward.

In June, Garden of the Month was given to Sandy Kinnaman, 3419 Village Drive. In July Dinah and Steve Daily, 1408 Winding Way received the honor.

The Garden Club meets the fourth Tuesday of the month and is open to anyone in Edgewood who loves plants and flowers. Contact Maxine Crandall at 644-5798 for further information.

FINE LINES Fitness

FineLines Fitness has a variety of programs for all fitness levels. The main focus for this gym is to provide our small community with options to stay strong and healthy. So whether you are struggling with knee problems or can run several miles, this well rounded circuit can work for you.

FIRE DEPARTMENT NEWS

The Edgewood Volunteer Fire Department bought a new fire engine last year. This year we have added a few new members. Edgewood also has a new Fire Chief. We would, at this time, like to introduce Mr. Bob Griner, our new Fire Chief. Bob is a Master Firefighter and has served in the fire service for many years. Mr. Griner was appointed Chief of the Fire Department on January 1, 2011.

The Edgewood Volunteer Fire Department has one 1250 gallon per minute (Engine 91) Rescue Pumper, a 1000 gallon per minute (Engine 95) Snorkel Truck, a 750 gallon per minute (Engine 92) Pumper, and a Rescue Truck (Rescue 93). Edgewood has a great group of trained firefighters and we meet each Monday at 6 pm. This could be your year to join our team. Just come to the fire station on Mondays. We will be glad to see you.

Message From Clerk-Treasurer Katherine Tanner cont. from pg. 1

fixing the problems it will ultimately help reduce or hold the line on additional sewer rate increases. It makes sense to do it now, rather than later and exposing you to higher costs. If there are problems on your property, it's your responsibility to make the repairs. The grant will not pay for repairs to private property, only to public services. If you have questions or if I can be of service to you, please contact me personally at the Edgewood Town Hall or call 765.649.5534.

On a lighter side, please keep your eyes peeled for some new stop signs and street signs. Many of our signage needs to be replaced and we have decided to enhance Edgewood a bit by adding more decorative street signs. If you notice an intersection that you would like to spruce up, please contact me at (765) 649.5534. We are also giving the Website a much needed facelift. More details to follow. Enjoy the rest of your summer!

NOTE TO ALL RESIDENTS!

Please take care while mowing to keep grass and weed clippings out of the streets. They can cause storm drains to become clogged and, therefore, ineffective during rain storms.
