“All the Charm of Yesterday With a Vision For Tomorrow”

“REMEMBERING EDGEWOOD” by Ted Vinson

REMEMBERING EDGEWOOD

1926-2013
BY
TED VINSON

When my dear friend Theodore Vinson was six years old, his father would drive past what is now the Town of Edgewood and tell his son how Edgewood was growing into a special new community and might become a new town some-

day. This was in 1929. In 1951 Ted and his wife Eleanor bought their first home in which Ted still lives, 216 Donnelly Drive. Eleanor left us in 2009. The book begins with Ted's memories starting from 1926 – 2013. It is an ambitious attempt to tell the story of a town that grew from the vision of a man who wanted to develop a

“Restricted – Community” four miles west of Anderson, Indiana, on State Road 32. The man's name was Wade Donnelly. His vision grew into a town of 2000 residents and became the Town of Edgewood. Ted tells the story of Edgewood from his 63 years living in Edgewood and information gathered from 80 years of Edgewood's Town Council meeting minutes, abstracts, court records, and pictures of Edgewood from his personal collection.

To purchase a copy of the book please contact The Madison County Historical Society, P.O. Box 696, Anderson, Indiana 46016. They are asking for a donation of \$40.00 which goes directly to the Society.

reminder

All Dogs Must Have A Dog Tag!

Please remember to purchase a dog tag for your dog at the Town Hall. Dogs are to be restrained at all times. It is a violation of Town Ordinance to let your dog run free. If you see a dog roaming freely, or harming another animal, please contact the Edgewood Police Department and if possible note where the owner lives.

Message From Building Commissioner *Julie Armington*

Just a reminder to any residents wanting to place a swimming pool in their back yard:

According to Indiana State Swimming Pool code and our Town of Edgewood Ordinance 154.24, any above ground pool that is over two feet in depth and over 12 feet in diameter requires the issuance of a building permit by the Building Commissioner.

Some of the restrictions of this permit require fencing at least 5' in height, locking gates or covers, landscaping, and any other items deemed necessary for safety and appearance to the surrounding properties.

Here's hoping for a safe and fun summer for all.

UPCOMING EVENTS

Thursday, July 17, 2014

For more events being held at The Edge, please visit their website at: theedgewood.net

On-Street Parking

There is no parking allowed on the paved or main traveled part of any street within the town. However, any resident may file a written request for on-street vehicle parking for periods not to exceed eight hours. Please park on only one side of the street so the normal traffic and emergency vehicles can get through.

The Edgewood Police Department has created a Facebook page!

We invite you to visit the site at

(<https://www.facebook.com/pages/Edgewood-Police-Department/350114758453362>).

You can also find the page by logging into your Facebook account and searching for "Edgewood Police Department".

Once on the site, make sure you "like" the page so that you will receive updates as we put them out. Our intent is to provide informative and important information on the site which will keep the residents of Edgewood and River Forest informed on the happenings within our community.

Keep Our Community Beautiful and Safe

We want to remind you that our yards need to be maintained in a neat and orderly manner. Grass and weeds must be mowed and no rubbish is to be piled on the property.

Check for any trees and shrubs that may be blocking roadways and creating a safety hazard. It is also important to keep stop signs and street signs in clear sight. Please help us keep our residents safe by trimming any trees or brush that may be creating an obstruction on your property. Pay special attention to any areas of your property that border a town road or intersection, as these areas can become traffic hazards without appearing overgrown.

Edgewood Fire Department News

We will be hosting our 4th Annual Edgewood Fire Department Car Show at The Edge on Sunday, August 3, 2014. Join us at the Golf Club Road facility and see the many beautiful automobiles, trucks, and motorcycles of yesteryear. There is no charge to walk around and enjoy the show. Food and drinks will be available for purchase from the Fire Department.

On September 13th, The Edgewood Fire Department will sponsor a Dan's Fish Fry at the Fire Station. You don't want to miss this. All the fish and chicken you care to eat for one price. Visit with us, see the trucks, and get a good meal all at the same time. Hope to see you there!

The Fire Department has several good people that risk their lives to save others. Many of these folks volunteer hours and hours to make Edgewood and the Fire Department a better place to live and work. When you see blue or green lights flashing on a privately owned vehicle, pull over and give them the right of way.

Remember to check your smoke detector often and make sure it works properly.

Patty's POINT of VIEW

Summer is finally here! Enjoy the activities that are available in our town: basketball court, tennis court, the great pool and golfing at the Edge, and of course walking to all our parks.

For your information, the Edgewood Town Council will take no further action in the status of Officer Foutch until after his trial this fall. He remains on administrative leave without pay.

Thanks to all who participated in the annual Edgewood Sale...a perfect day for finding "deals"!

Town Council President
Patty Farran
